The Bougainvil'La Blueprint

Sumeera

Surrounded by majestic pink pillars and set around a shimmering pool, this venue allows for a true showstopper: **a floating mandap.**

Regal Without Effort

Royal. Romantic. Radiant.

Bougainvil'La Bliss

Floral Trellis

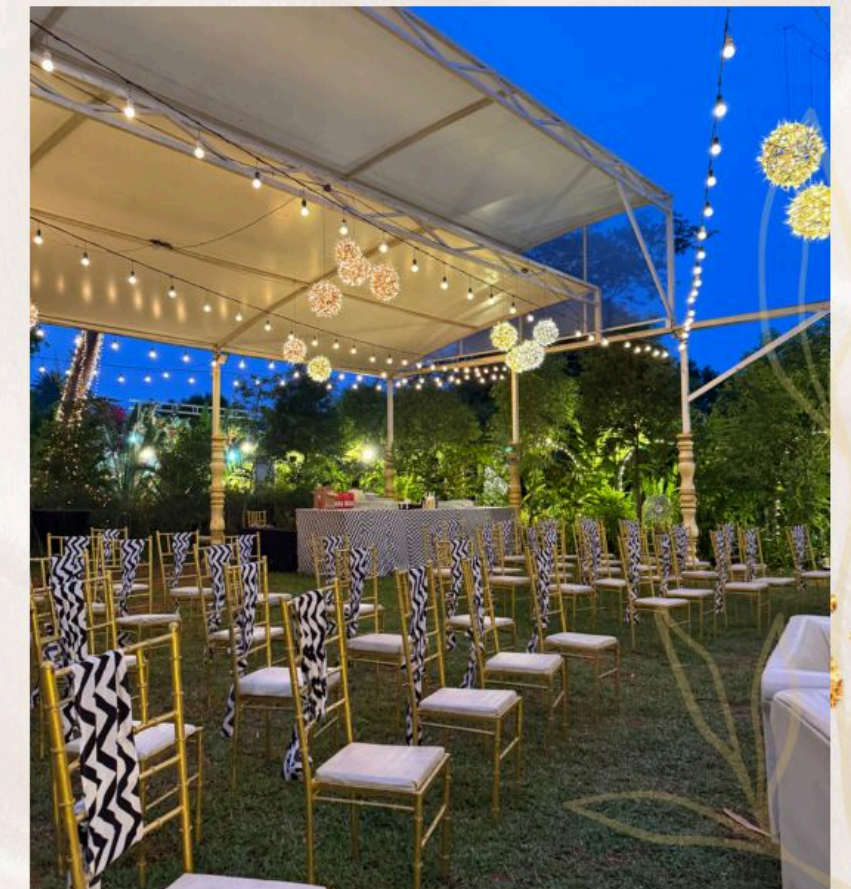

Bengaluru's First
Retractable Roof Venue

Floral Trellis is one of Bengaluru's most innovative celebration spaces — a beautifully styled lawn space with a retractable roof.

Framed by Nature

It's the ideal setting for receptions, sangeets, and evening events, offering the best of both indoor comfort and open-air elegance.

Margarita

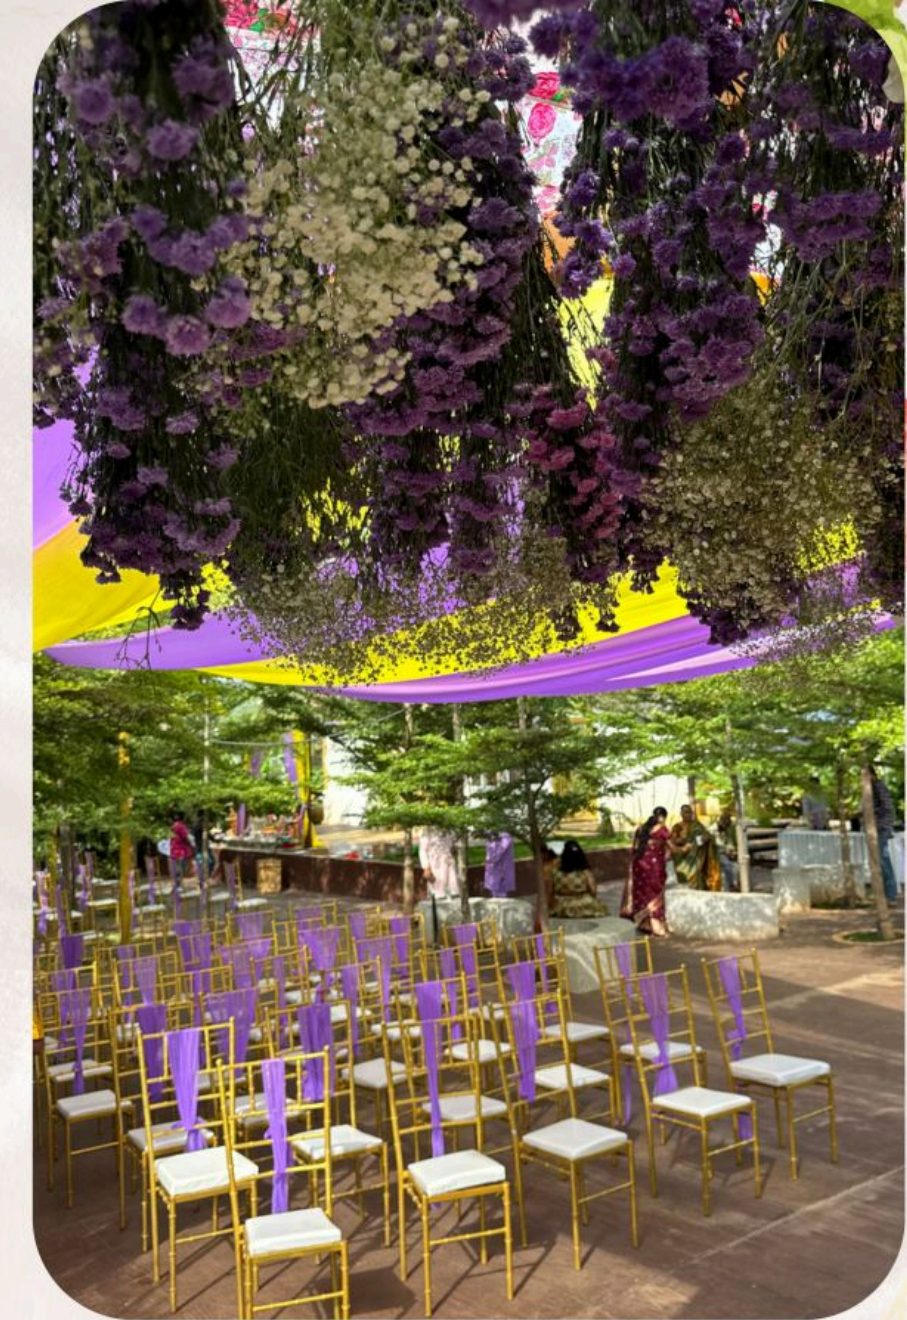

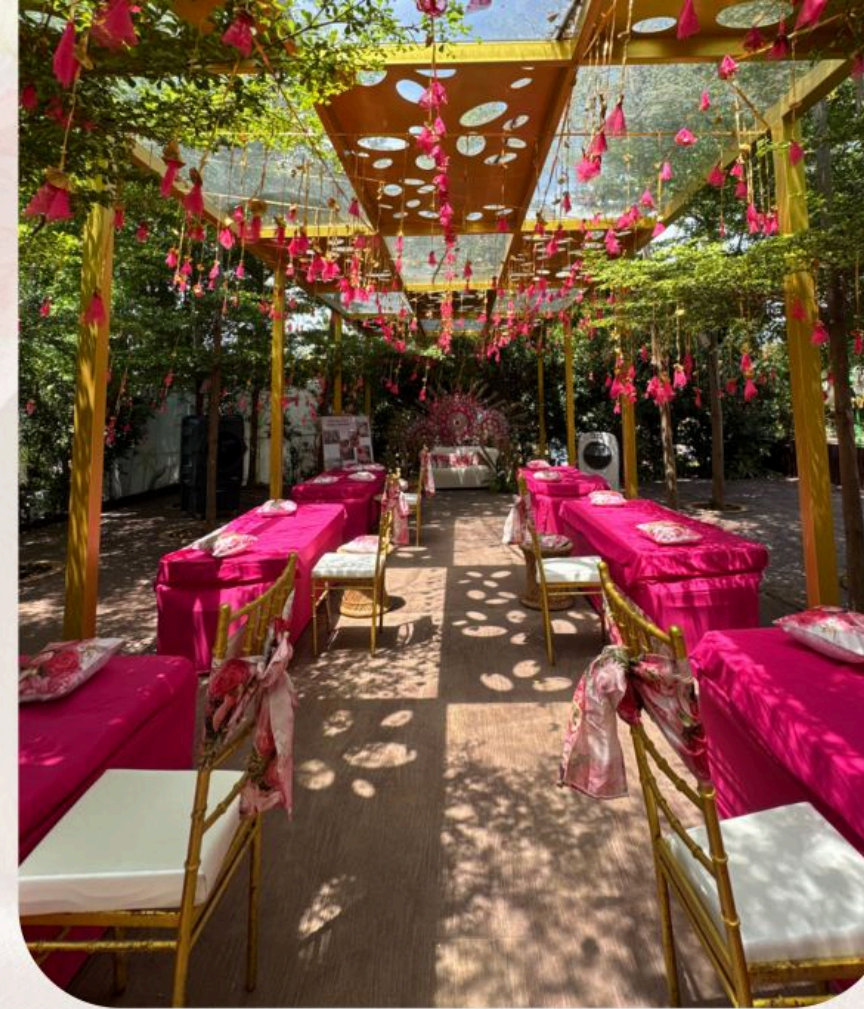

With its **natural tree canopy**, **bohemian charm**, and open layout, it offers a dreamy, shaded environment that's perfect for vibrant, intimate celebrations.

Open Lawn Serenity

It's a completely open canvas that can be styled exactly to your vision — whether it's a traditional setup, a grand stage. The space offers plenty of room, freedom, and beauty for both rituals and larger receptions.

A photograph of a tropical garden path. The path is made of light-colored concrete slabs and is flanked by dense, lush green foliage. Large, broad leaves, possibly from a bird of paradise plant, are prominent in the foreground and along the path. Sunlight filters through the leaves, creating dappled shadows on the path. The overall atmosphere is serene and enchanting.

Ice Spice

Ice Spice is our semi-indoor, air-cooled venue that combines comfort with class.

It's most often used for dining or as a weather-safe option for ceremonies and parties, with beautiful views of the green landscape and the pool. This space also features our grand staircase.

A vibrant garden scene featuring a wooden trellis structure covered in climbing plants with bright pink flowers. The trellis is set against a backdrop of dense green foliage and a clear blue sky. In the foreground, there are large green leaves and a white railing. The text "Garden of Whimsy" is overlaid in a white, cursive font in the center of the image.

The Temple

At the entrance of Bougainvil'La sits our beautiful Ganesha temple — a sacred space where rituals, poojas, and blessings begin.

It offers couples and families a peaceful, divine moment before the celebrations begin — grounding the wedding journey in meaning, tradition, and gratitude.

Royal Villas

Whether it's unwinding after rituals or preparing for the big moment, the villas offer a seamless blend of **luxury, warmth, and togetherness.**

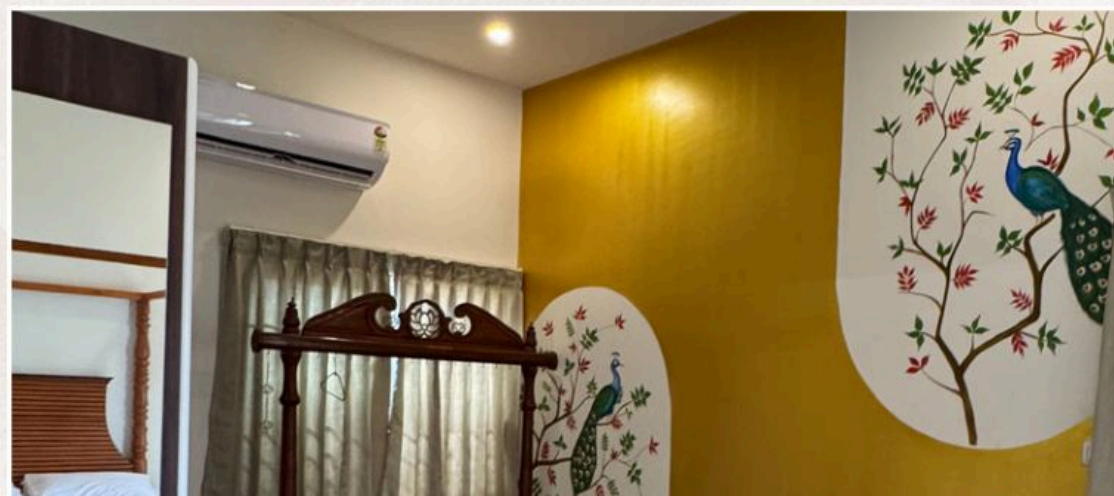

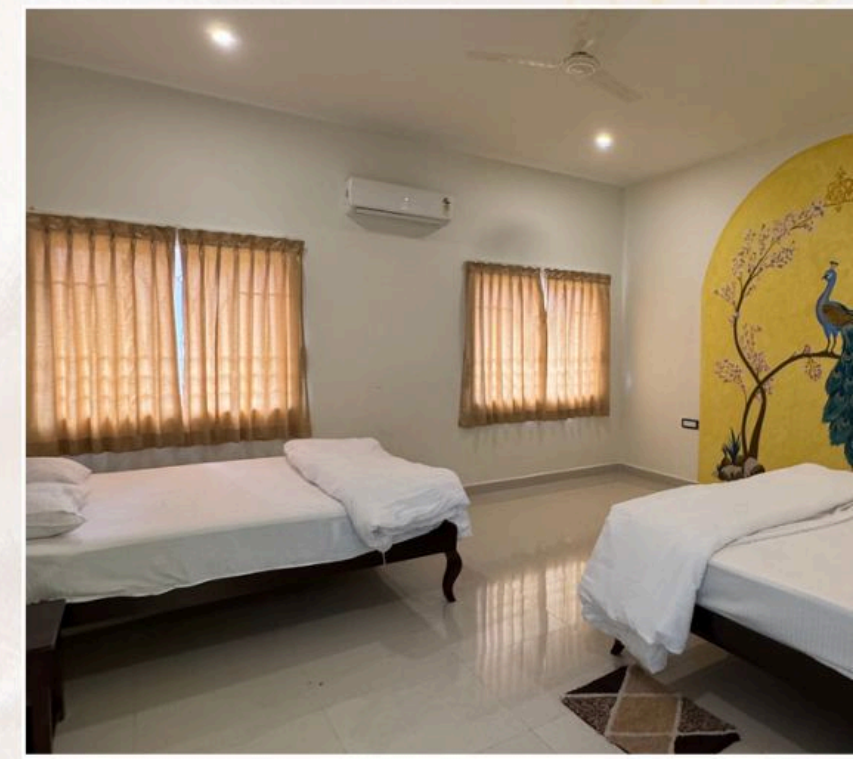

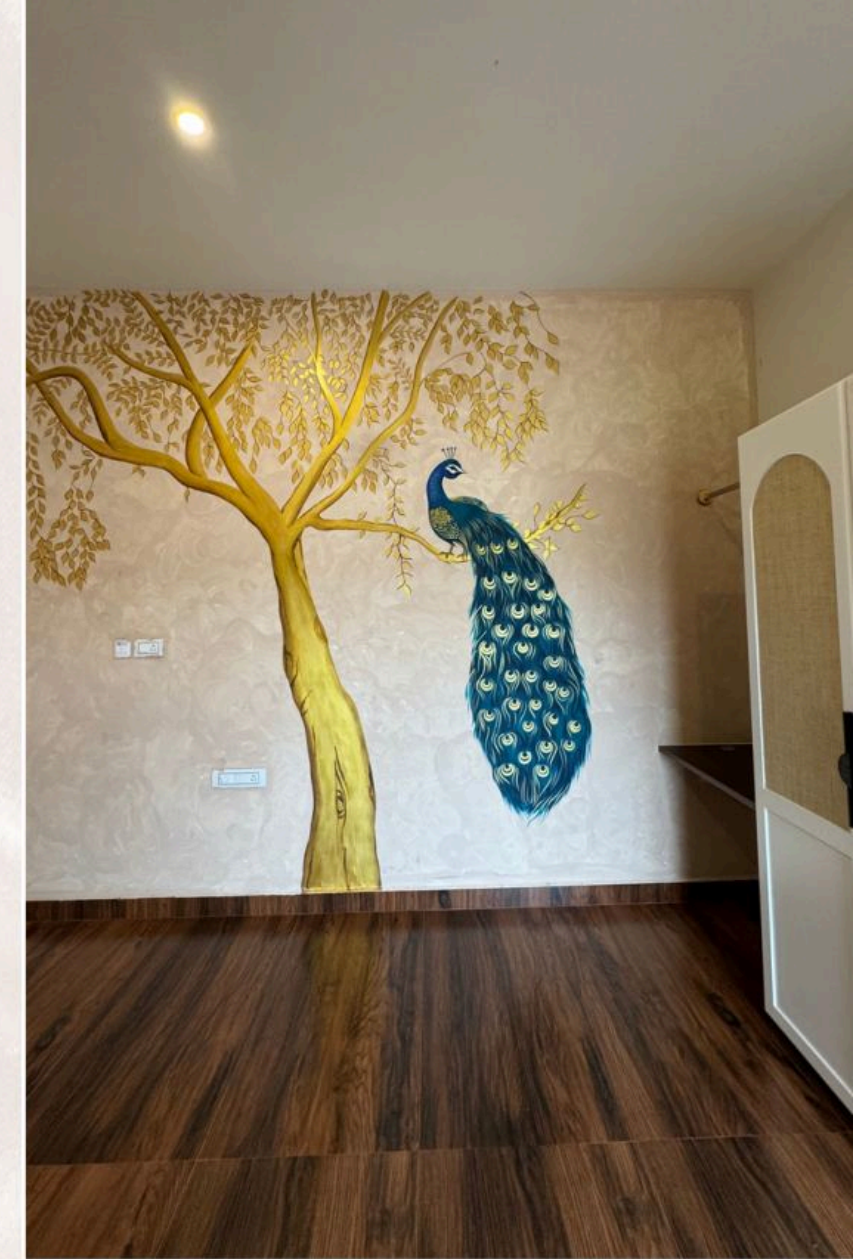

Your Wedding Residence

Our twin villas are designed to reflect the luxury and warmth, offering a total of 100 guest accommodation.

Each villa includes:

- Bridal and groom suites
- Family rooms
- Luxury dorms
- Common lounges where loved ones can gather, relax, and celebrate together

The architecture is regal, the energy is personal — making it the perfect stay for destination-style weddings in Bengaluru.
